Somewhere Only We Know

Somewhere Only We Know

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river, and it made me complete

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go
Somewhere only we know?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go?
So why don't we go?

This could be the end of everything
So why don't we go
Somewhere only we know
Somewhere only we know
Somewhere only we know?

One Voice

This is the sound of one voice
One spirit, one voice
The sound of one who makes a choice
This is the sound of one voice (x2)

This is the sound of voices two
The sound of me singing with you
Helping each other to make it through
This is the sound of voices two (x2)

This is the sound of voices three
Singing together in harmony
Surrendering to the mystery
This is the sound of voices three (x2)

This is the sound of all of us
Singing with love and the will to trust
Leave the rest behind it will turn to dust
This is the sound of all of us (x2) oooooo....

This is the sound of one voice
One people, one voice
A song for every one of us
This is the sound of one voice
This is the sound of one voice

Somechin' Stupid

I know I stand in line until you think you have the time to spend an evening with me,
And if we go some place to dance I know that there's a chance you won't be leaving
with me,

Then afterwards we drop into a quiet little place and have a drink or two,
And then I go and spoil it all by saying something stupid like I love you

I can see it in your eyes that you despise the same old lies you heard the night before,
And though its just a line to you, for me it's true and never seemed so right before
I practice every day to find some clever lines to say to make the meaning come true,
But then I think I'll wait until the evening gets late and I'm alone with you.

The time is right, your perfume fills my head, the stars get red, and oh the night's so
blue,

And then I go and spoil it all by saying something stupid like I love you

I can see it your eyes...

I love you

I love you

I love you
