

Together for Cransley March 2016

It is with great pleasure we can announce that the Together for Cransley 2016 concert raised £2322.25. The concert was a sell-out, and the 140-strong audience enjoyed a varied programme of uke and choral music - the collaborative pieces proved particularly popular. An auction of gifts and promises from individuals and local businesses raised more than £650, while the raffle of 40 prizes contributed over £450.

So on behalf of Cransley Hospice, Raunds Ukulele Orchestra and A Different Direction Choir, we would like to say a massive...

THANK YOU!!

No matter how you contributed, whether it was a prize for the raffle or auction, giving your time to help at the event itself, coming to watch us or performing, we couldn't have done it without you!

The total far exceeded the initial £1000 target. Cransley Hospice is continually striving to develop so that they can offer a greatly enhanced service to more people. They have recently extended the care they provide throughout the community and in patient's home to a 24/7 service. More patients can be treated at their place of choice than ever before. The money raised on the night will make a real difference to their planned developments.

Both groups have close links with the hospice. Some members of the choir work at Cransley, while members of both groups have experience of close friends or family members using their services. The plan is to make the concert an annual musical celebration and raise more money for this valuable and important charity.

Thank you once again for all you have done,

Chris Gammon

Musical Director
