Wonder if she's gone to stay
Ain't no sunshine when she's gone
This house just ain't no home
Anytime she goes away

Eleanor Rigby

Unison Ah, look at all the lonely people!
Ah, look at all the lonely people!

Men Eleanor Rigby, picks up the rice in the church where her wedding has been,
lives in a dream
Waits at the window, wearing the face that she keeps in a jar by the door,
who is it for?

3 Parts All the lonely people, where do they all come from?
Ahhh---
All the lonely people, where do they all belong?
Ahhh---

Sop/Alto Father McKenzie, writing the words of the sermon that no-one will hear, no
one comes near,
Look at him working, darning his socks in the night when there's nobody
there, what does he care?

3 Parts All the lonely people, where do they all come from?
Ahhh---
All the lonely people, where do they all belong?
Ahhh---

Unison Ah, look at all the lonely people! Ah, look at all the lonely people!
Eleanor Rigby, died in the church and was buried along with her name,
Nobody came,
Father McKenzie wiping the dirt from his hands as he walks from the grave, no-
one was saved (repeat 3 part section)

Soprano

When marimba rhythms start to play
 Dance with me, make me sway
 Like a lazy ocean hugs the shore
 Hold me close, sway me more

Like a flower bending in the breeze
 Bend with me, sway with ease
 When we dance you have a way with me
 Stay with me, sway with me

Ah-----
 Dear, but my eyes will see only you
 ah----- weak, ba ba ba ba

I can hear the sounds of violins,
 Long before, it begins
 Make me thrill as only you know how,
Sway me smooth, sway me now (x3)
Sway me now, sway me now, oh, ch ch cha!

Alto

Rhythms, dance with me
 Mm-make me sway,
 <-----

Flowers, bend with me
 Sway with ease
 <-----

Other dancers may be on the floor
 Ah----
 Only you have the magic technique
 When we sway I go weak, ba ba ba ba

Violins, long before it begins
 <-----

Men

Start to play, dance with me
 Make me sway
 Ocean shore, hold me close
 Sway me more

Just like a flower you sway

Somewhere Over the Rainbow

Somewhere over the rainbow way up high
And the dreams that you dream of once in a lullaby
Somewhere over the rainbow blue birds fly
And the dreams that you dream of,
dreams really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney tops that's where you'll find
me
Somewhere over the rainbow blue birds fly
And the dreams that you dare to why oh why can't I

Well I see trees of green and red roses too
I'll watch them bloom for me and you
And I think to myself what a wonderful world
Well I see skies of blue and I see clouds of white
And the brightness of day I like the dark
And I think to myself what a wonderful world

The colours of the rainbow so pretty in the sky
Are also on the faces of people passing by
I see friends shaking hands saying how do you do
They're really saying, I love you
I hear babies cry and I watch them grow
They'll learn much more than we'll ever know
And I think to myself what a wonderful world

Someday I'll wish upon a star
And wake up where the clouds are far behind
me
Where trouble melts like lemon drops
High above the chimney ops that's where you'll
find me
Somewhere over the rainbow way up high
And the dream that you dare to why oh why
can't I?

Wanna Be Like You

We'll I'm the king of the swingers oh, the jungle VIP
I've reached the top, and just can't stop, and that's what bothering me

I want to be a man, mancub and stroll right into town
And be just like, the other men there, I'm tired of monkeying around

Oh, obee-do, wanna be like you
I wanna walk like you, talk like you, too
You see it's true, an ape like me
Can learn to be human too

Now it's a job that just suits me,
A window cleaner you and me
If you could see what I can see
When I'm cleaning windows

I know a fellow, such a swell
He has a thirst it's plain to tell
I've seen him drink the bath as well
When I'm cleaning windows

And through it all, she offers me protection
A lot of love and attention, whether I'm right or wrong
And down the waterfall, wherever it may take me
I know life won't break me, when I come to call
She won't forsake me
I'm loving angels instead

Swing to the left, swing to the right
Put your hands up if you're lovin' life
Oh, I'm lovin' life

Swing to the left, swing to the right
Put you're hands up if you're feelin' nice
Oh, I'm feelin' nice

Oh, obee-do...

[Dm] I saw the light on the night that I passed by her [A7] window

Africa

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in twelve-thirty flight
Her moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies
He turned to me as if to say: "Hurry boy, it's waiting there for you"

[Chorus:]

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had

The wild dogs cry out in the night
As they grow restless longing for some solitary company
I know that I must do what's right
Sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

[Chorus]

[Instrumental break]

Hurry boy, she's waiting there for you

[Chorus:]

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa [5x]
Gonna take some time to do the things we never had
