Somechin' Stupid

I know I stand in line until you think you have the time to spend an evening with me,
And if we go some place to dance I know that there's a chance you won't be leaving
with me,

Then afterwards we drop into a quiet little place and have a drink or two,
And then I go and spoil it all by saying something stupid like I love you

I can see it in your eyes that you despise the same old lies you heard the night before,
And though its just a line to you, for me it's true and never seemed so right before
I practice every day to find some clever lines to say to make the meaning come true,
But then I think I'll wait until the evening gets late and I'm alone with you.

The time is right, your perfume fills my head, the stars get red, and oh the night's so
blue,

And then I go and spoil it all by saying something stupid like I love you

I can see it your eyes...

I love you

I love you

I love you

S/A/B: Oh, I've seen fire and I've seen rain...

S/A/B: Now I'm walkin' my mind to an easy time, my back towards the sun,
Lord knows when the cold wind blows, It'll turn your head around
We'll there's hours of time on the telephone line to talk about things to come
Sweet dreams and flying machines in pieces on the ground,

Chorus x2
